

## **Consultis Diversity Statement**

As a pioneer in the staffing industry and a woman owned enterprise Consultis has a special responsibility to create and maintain a diverse climate for not only our internal team, but our external team as well.

We acknowledge the unique contribution our contract employees and our recruiting employees make. The diversity of our company takes on many forms. It includes differences related to race, ethnicity, national origin, gender, gender identity, sexual orientation, religion, age and ability. We believe that any attempt to oppress any individual or group is a threat to our company's integrity.

We are guided by the morale responsibility of zero tolerance for any form of bigotry, harassment, intimidation, threat, or abuse, whether verbal or written, physical or psychological, direct or implied.

Consultis fosters an environment rich in diversity!
