

# WHY CONSULTIS

## INDUSTRY EXPERTS

We focus entirely on **technical recruitment** so that we can continue to be experts and pioneers in the industry since we opened shop in 1980.

## WE HIT THE MARK

Our interview-to-placement ratio is **5% above industry standards** for our ability to consistently meet our clients' needs with precision and speed.

## VAST NETWORK

We know people. Lots of them. We have a national database of over **650,000 skilled technology professionals** thoroughly vetted and ready to jump on any project.

650k

## WOW SERVICES

We **customize our services** geared toward your specific goals and ask the right questions to help determine the exact type of technical talent you need to complete your team or project.

## TIME IS MONEY

We provide **unique deliverables** that detail candidates beyond their resume to help you make highly informed decisions and only spend time with the right candidates.

96%

## CONSISTENT, HIGH QUALITY TALENT

Out of all the projects we have placed candidates on for our clients, 96% are completed **on time and on budget**.

## WE FIND UNICORNS

No matter how niche or challenging your opportunity is to fill, we'll find you that elusive candidate who fits the **skill requirements and organizational culture**.

2,500

## NUMBERS DON'T LIE

Since 1984, we have placed over **71,000 technical placements** to over **2,500 clients**.
